Unfinished Business:

None

New Business:

Motion To approve the retainage of Rye Engineering for services as a qualified engineering firm to provide services related to projects being funded by the Coronavirus State and Local Fiscal Recovery Fund of the American Rescue Plan (ARPA) funding. The requested engineering services may include the investigation, planning, design, construction, and other services necessary for project completion. ARPA projects could consist of drinking water, wastewater, and/or stormwater projects. These activities will need to adhere to the grant guidelines established by the Tennessee Department of Environment and Conservation for grants being funded by ARPA and to the Uniform Guidance provided in 2 CFR Part 200 for projects funded by federal funds.
